a non-profit center for Cognitive Development, Behavioral Health, & Addictive Threats

Greetings!

The Rio Grande Valley Council, Inc. cordially invites you and your organization to our EYEGLOSS-NUEVAS ÓPTICAS Border Violence Conference at the McAllen Convention Center.

The Conference will provide opportunities to reach out to parents, youth, promotoras, community health workers, and community advocates.

This conference will be held August 16-18, 2010. Set-up will begin at 8:00 a.m. We are requesting that the following form be filled out and emailed or faxed to us by July 9, 2010. This will assist us with the logistics of providing enough space for our booth participants. There is no cost for booth participation only a great opportunity for promotion and information dissemination. We are asking that you make a donation of a “Door Prize” for our participants to be given out at the Conference.

Each organization participating will be provided with a table and two chairs. Should your organization require more than one table or other accommodations such as electrical outlets, please indicate this on the form.

Participants will be given the opportunity to access the booths at various times through-out the conference.

Should you have questions, feel free to call us at (956) 787-7111 Ext 232 or e-mail us at nalvarez@rgvcouncil.org.

We look forward to hearing from you.
